EYLL is a volunteer staffed league with a limited number of fields. We cannot accept additional players until we have commitments from parents to manage a team. If you are looking to register then contact the division coordinator above and volunteer to manage a team in our league. Once we have the commitment, we can open that level up for new players. Please note that Baseball Majors and Minors are at their limit and there will be no registration opened for baseball players 10, 11 or 12 years old.

Thank you for your understanding.
