It is very important that your child attend the scheduled ratings that will be conducted by the coaches. Our goal is the equal distribution of the softball talent to insure a competitive league. The player will be evaluated in throwing, catching and hitting. They should bring their softball glove and they should wear appropriate clothing and be wearing sneakers.

If you have any questions, please contact your division coordinator at the email address listed below.

*Due to the pandemic, the league will be running events a bit different than in prior years. Our annual parents night will be a on-line event and our staff is working out the details. The parade is cancelled and we hope we can run an opening day parade future seasons. At this time, we are awaiting guidance from local, state and national health experts on running photo day.*
