**Date:** January 13, 2021

Hello Elmora Youth Little League Parents,

The 2021 Spring baseball and softball on-line registration portal is now available for you to register your child. We are looking forward to running a safe and fun season for the children of the greater Elizabeth area. We learned a lot from running our 2020 Fall Season and we are happy that our adult volunteers followed all safety protocols to ensure a healthy and competitive environment. ***Thank you to those who volunteered last fall.***

If you prefer, we have posted information on our web site regarding the in-person registration. Given the pandemic, we can only allow 3 parents at a time into the registration room. The others will be greeted at the entrance and we will have clipboards with forms. You can take the forms to your car, complete the registration and then enter the building to turn in the documents and make payment. *To save time at the in-person registration, we suggest you print out the forms from our website, complete them at home and then bring them to the in-person registration location. Please see the link to the pages below.*

The **in-person dates** are:

**Elmora Racquet Club**

1/14 (Thu) 7p-8:30p
